Dewan Bahadur of Mysore

The humble petition of Agale Srinivasa Iyengar resident of Anegola Village, Hikkeri hobli attached to Krishnaraj pet-Taluq Mysore District.

The petitioner humbly begs to bring to the kind notice of the Dewan that Anegola Village is situated midway between Mysore and Hassan District, and to the east of the village facing the high ground, he has constructed a Chattram of 16 Ankanams with Stone, brick in chunam covered with Stone Slabs. In the centre Ankanam thereof he ardently cherishes a desire to establish a Vaishna vait Temple being provided with the religious apperte-nances required. He has commenced to build another Stone and tiled house of the same dimension for feeding etc purposes. A well has also been Sunk which contains an abundant Supply of fresh water and the same is made use by the travellers. The main road being a place of great traffic. The petitioner has an idea to raise a tope close by

It may not be out of place for the petitioner to represent that he started this building in memory of His Late Highness the

the Maharaja Sri Kothamarajendra Wodaiyar Bahadur. for he had the kindness to spend a few minutes in a pandal put up by the petitioner in the place at the time of his provincial tour.

The petitioner is an old man of 65 and he wishes that the opening ceremony of his charitable institution should take place in the near future i.e. Coming Makara month.

The petitioner therefore solicits your generous help for kindly ordering provision being made for the continual up-keep of the temple and the Chathram. He also begs that a Competent Amgrai officer may be deputed for the purpose of reporting after personal inspection of the several arrangements already made and grant required lands under the Revenue Rules near the spot to meet the arrangements. He spares no pains to bring the grant to a condition to answer the purpose. There are many instances in which your honor have been pleased to generously help religious and charitable institutions all over the province, and the petitioner humbly prays that you will be generously pleased to extend the same generosity to this institution also.

In conclusion the petitioner humbly begs to submit that this prayer may meet with favourable consideration and Orders. for which

act of benevolence petitioner as in duty bound shall ever pray for your long life and prosperity
